Department, dated 29.08.2025.

5. G.O.(Ms).No.192, Finance (Pension) Department, dated 29.08.2025.

The Government recognise that it is of paramount importance that the Government servants who are in service for nearly 25 to 30 years in various capacities and served the public in large should be allowed to retire peacefully. However, there are many instances, where the Government servants have been suspended on the last day of their service or just before their superannuation and not allowed to retire and retained in service under erstwhile F.R.56(1)(c).

2. In this regard, the Hon'ble Chief Minister has made an announcement on the floor of the Legislative Assembly on 07.09.2021 that "**suspending the Government servants on the date of their retirement will be avoided**". Based on the above said announcement, the Government have issued orders in the Government order third cited to the effect that the disciplinary authorities have to ensure that the suspension orders are not issued on the last date before superannuation of the Government servants..

3. In order to ensure strict compliance of the aforesaid announcement, the Government had deleted rule 56(1)(c) of the Fundamental Rules so as to allow the Government servants to retire from service peacefully on the date of superannuation itself. Necessary consequential amendments have been issued to the Fundamental Rules and the Tamil Nadu Leave Rules in the Government Order fourth cited and suitable amendments have also been issued to the Tamil Nadu Pension Rules, 1978 in the Government Order fifth cited.

4. The consequences of the amendments issued to the said Rules are highlighted below:-

(1) Rule 56(1)(c) of the Fundamental Rules which enables the appointing authority to retain a Government servant in service beyond the date of his superannuation has been omitted. Hence, hereafter no Government servant can be retained in service beyond the date of their superannuation and they shall be permitted to retire from service on the date of their superannuation.

(2) Consequentially, the disciplinary proceedings for grave charges already initiated and pending against the Government servants cannot be continued under the Tamil Nadu Civil Services (Discipline and Appeal) Rules, 1955, after their retirement, since the said Rules will not apply to the retired Government servants.

(3) However, the disciplinary proceedings for grave charges pending on the date of retirement against the pensioners to whom the Tamil Nadu Pension Rules, 1978 apply, shall be continued as deemed proceedings under the said Rules. After their retirement and if they are found guilty in the disciplinary proceedings, final orders such as withholding of entire pension or gratuity or both or withdrawal of pension can be passed, if the gravity of the charges warrants such penalty.

(4) In respect of the Government servants who were appointed into Government service on or after 01.04.2003, the disciplinary proceedings for grave charges pending on the date of their retirement shall be continued as deemed proceedings under F.R.56 (1-B) (provision now inserted in the Fundamental Rules vide Government order 4" cited) after their retirement and if they are found guilty in such disciplinary proceedings, final order withholding of Government contribution to the pension account along with interest of such Government servants either in full or in part can be passed in consultation with Tamil Nadu Public Service Commission.

(5) If any Government servant appointed into Government service on or after 01.04.2003 has caused pecuniary loss to the Government by any misconduct or negligence, during his service, and is found guilty of such misconduct or negligence in a departmental or judicial proceedings, recovery from the Government contribution of the whole or part can be ordered under the said rule F.R.56 (1-B) to make good the pecuniary loss caused to the Government in consultation with Tamil Nadu Public Service Commission.

(6) Further, if disciplinary proceedings could not be initiated before the date of superannuation of the Government servant who were appointed on or after 01.04.2003 for any grave misconduct, four year limitation period as prescribed in F.R.56(1-B)(1)(b)(ii) will be attracted.

(7) In future, in respect of Government servants against whom departmental or judicial proceedings are pending and allowed to retire from service, their terminal benefits have to be disbursed in the manner prescribed in the Annexure-I to this letter.

(8) As per F.R.56(1-A) (provision now inserted in the Fundamental Rules vide Government order 4% cited) the Government servants who were already retained in service beyond the date of their superannuation under the erstwhile F.R.56(1)(c) shall be deemed to have been retired from service on their respective dates of superannuation and the disciplinary proceedings pending against them shall be continued under rule 9(2)(a) of the Tamil Nadu Pension Rules, 1978 in respect of the pensioners to whom the said Rules apply or under F.R.56 (1-B) in respect of the Government servants who were appointed on or after 01.04.2003.

5. in the light of the above amendments, the following clarifications and instructions are issued:-

(1) Even though as per F.R.56 (1-A), all the Government servants who were not permitted to retire and retained in service under the erstwhile F.R.56(1)(c) as on 29.08.2025 shall be deemed to have been retired from service on their respective dates of superannuation, a formal order permitting them to retire from service with effect from the date of their superannuation shall be issued by the appointing authority concerned in the format prescribed in the Annexure-II to this letter.

(2) In such cases, terminal benefits of those Government servants have to be settled in such manner as specified in Serial Number 1 of the Annexure-I. in respect of the Government servants who are governed by the Tamil Nadu Pension Rules, 1978 and in receipt of subsistence allowance, necessary proposal to sanction provisional pension shall be sent to the Accountant General immediately without any delay.

(3) In cases where grave misconduct is alleged to have been committed by the Government servants and they are on the verge of retirement, the disciplinary

authorities concerned should complete the disciplinary proceedings as soon as possible and issue final orders thereon before the retirement of such Government servants, so that the delinquents are not spared from the imposition of major penalties they deserve under the Tamil Nadu Civil Services (Discipline and Appeal) Rules, 1955. The time limits prescribed in para 12 of the G.O.(Ms).No.81, Human Resources Management (N) Department, dated.04.08.2022 for processing disciplinary proceedings should be followed scrupulously so as to ensure that there is no unwarranted delay in finalizing them and which is reproduced as follows:-

(6) The appointing authorities should take special attention and ensure that the final orders are issued in the pending disciplinary proceedings against the Government servants who retire before their superannuation.

(7) Disciplinary action should be taken against the officials responsible for the non-completion of the disciplinary proceedings before the superannuation of the delinquents concerned, due to inordinate delay on their part in processing the disciplinary proceedings.

6. All the departments of Secretariat, Heads of Department and all the District Collectors are requested to follow the above said instructions scrupulously without fail and circulate the same to all officers and staff under their control.

7. The receipt of this letter shall be acknowledged.
